

TIME OF SERVICE DISCOUNT

If you do not qualify for health insurance or do not want to bill your health insurance Prism Health offers a Time of Service Discount.

Payment for estimated cost of services will be due at time of service based on services performed. The Time of Service Discount offered to patients are:

Behavioral Health Services at a **25%** time-of-service (TOS) discount and/or **Primary Care Health Services** at a **10%** time-of-service (TOS) discount.

The TOS is based Prism Health's fee schedule for any given service. This discount does not apply to insurance deductibles, co-payments, lab fees for services provided by Quest or prescription fees provided by Avita Pharmacy.
